

## Three Adjectives Or Less

Internet dating? Jo asked, voice shaking with barely contained laughter. Really? Dont judge me, Remy whined, dropping her forehead down on the table. I can feel you judging me. Hey, the only judgment I see is coming from the person sitting in the booth. Theres nothing wrong with internet dating. Lots of people do it. Yeah? Remy cracked a skeptical eye in Jos direction. Like who? When Jo was silent for a beat too long, she nodded and stuffed her eyes back into the bend of her elbow. As I thought. She sighed, pulling a disgruntled face that no one could see. Whatever happened to romance, Jo? People write books about it all the time. No one ever writes books about stuff like this. Jo chuckled. People write books about what they want to happen, hon. Not about what actually happens. Remy laughed at that, sitting up again. Very true. No one ever wrote a book about my life. An ad in the Village Voice, maybe. Depressed dyke seeks girlfriend. Must be more gay than previous girlfriend. Ability to put up with obsessive compulsive behaviors a plus. Serious inquiries only. Yogis need not apply.

Yorkshire unveils record low rate of 0.89% 7 hours ago LONDON FLATS 0 Yorkshire Building Society has launched a  
2-year discount rate mortgage at 0.89% up to 65% loan-to-value. The product comes with a £1,495 fee, though the  
society also offers a £995 fee option at 1.05%. James Farrow, senior mortgage manager at Yorkshire Building Society,  
said: “We are very pleased to offer borrowers the lowest mortgage rate ever available. “The cost of funding has fallen in  
recent weeks and as a financially strong building society with no external shareholders to satisfy we have the ability to  
pass this on to borrowers.” After the 2-year period the mortgage will revert to the lender’s standard variable rate, which  
is currently 4.74%. Rachel Springall, finance expert at Moneyfacts, said: “It’s fantastic to see such low rates on offer  
from Yorkshire Building Society and the choice between variable or fixed deal will appeal to different types of  
borrowers. “Those looking for more flexibility over the shorter term may prefer a discounted deal, but those looking for  
some security could choose the fixed rate. “In such a low interest rate environment it would be ideal for borrowers to  
consider overpaying their mortgage. As with any option borrowers would be wise to weigh up the entire package before  
entering any arrangement.” The post Yorkshire unveils record low rate of 0.89% appeared first on Mortgage Introducer.
