

Waking Up Married in Vegas, What will Fiance Think? (Romantic Comedy)(Married Couple)(Humor)(Short Story)

Donna Colby wakes up with a hangover and finds a man in her bed who is NOT her fiance. She has no memory of how she got there. In a matter of moments, she finds that she is married. What will she tell her fiance of several years? Even worse, what will she tell her MOM? More: She got three steps outside the door and almost ran into HIM. Good morning, Honey. The man, her new husband said, I didnt think you were coming out today. He folded her in his arms and kissed her with unbridled passion. He caught her off guard and she was having trouble thinking how to react. In the instant before their lips met, she saw he was very cute. He was tall, having to lean down to kiss her. He was well built, and solid. She closed her eyes and felt herself melting. He was one heck of a kisser! He was a better kisser than Albert was, she thought guiltily. He was even better than Freddie Nolan back in college who had been her gold standard for comparison. Until now. The kiss continued and he pulled her tighter. It was very, very nice. A warmth was developing rapidly inside, spreading fast. She was becoming tingly and achy in all the right places. She became aware of something happening between them. He was rising fast. Her eyes flew wide as realization of some very dangerous facts. He was naked against her. He was erect. He was HUGE! Back up, dude! She warned, pushing him away. And get some clothes on. You could knock a vase off waving yourself around like that! Sure, honey. He said, smiling. Do you think you should put something on too? Oh, God! She gasped, blushing from head to toe. She had forgotten her state of dress er undress. She covered her breasts with one arm and her bottom with her other hand. Turn around! Dont look at me! Whats wrong, honey? He asked concerned, reaching toward her. Youre acting very strange this morning! If I didnt know better, Id swear you dont know me! Dont

touch me, Donna shouted. I dont know you!This isnt funny! He said. You know weve spent every waking moment together since we met.Well, As far as Im concerned, we havent met. Donna replied. Could you please get some clothes on?It was very distracting with him waving around like that.Sure, honey. He chuckled.Whats so funny? Donna demanded.You wouldnt let me put any cloths on for the past two days. You said you liked to look at me. And that it saved time when we made love. He said. NOW you want me dressed,Oh. My. Lord! She ran back into the bathroom and slammed the door. She was hyperventilating again.Im a slut! She thought. A TOTAL slut! Only a slut would keep a total stranger naked for TWO days! They had been together for TWO days. She had kept him naked. To save time?Oh, my god! She thought, I must have had a psychotic break!Wait a minute. If they were married, did that still mean she was a slut? That made it ok to act slutty, right? She was still trying to wrap her mind around BEING MARRIED.

Breaking News Ongoing skepticism over the impact of brexit suggests that rental growth in prime central London
Yorkshire unveils record low rate of 0.89% 7 hours ago LONDON FLATS 0 Yorkshire Building Society has launched a
2-year discount rate mortgage at 0.89% up to 65% loan-to-value. The product comes with a £1,495 fee, though the
society also offers a £995 fee option at 1.05%. James Farrow, senior mortgage manager at Yorkshire Building Society,
said: “We are very pleased to offer borrowers the lowest mortgage rate ever available. “The cost of funding has fallen in
recent weeks and as a financially strong building society with no external shareholders to satisfy we have the ability to
pass this on to borrowers.” After the 2-year period the mortgage will revert to the lender’s standard variable rate, which
is currently 4.74%. Rachel Springall, finance expert at Moneyfacts, said: “It’s fantastic to see such low rates on offer
from Yorkshire Building Society and the choice between variable or fixed deal will appeal to different types of
borrowers. “Those looking for more flexibility over the shorter term may prefer a discounted deal, but those looking for
some security could choose the fixed rate. “In such a low interest rate environment it would be ideal for borrowers to
consider overpaying their mortgage. As with any option borrowers would be wise to weigh up the entire package before
entering any arrangement.” The post Yorkshire unveils record low rate of 0.89% appeared first on Mortgage Introducer.
