

All He Desires

All He Desires: The Complete Series Length: around 58,000 words or 172 printed pages long. Kira spent the better part of a year masquerading as an escort, and quite frankly, she's tired of it. But with pay as good as it is, and no lack of clients in sight, it's impossible to pull away from such a lucrative job. Even if it is illegal. That is until her favorite client offers to double her pay so long as she agrees to be his companion for one evening. No questions asked. The promise of a doubled wage is hard to pass up, and the possibility of finally getting to see her lover's face and learn his name makes this deal impossible to resist. With their destination as mysterious as the man who invited her, Kira accepts, but at what cost? **WARNING:** contains explicit, sexual content as well as voyeurism and some light bondage. Not intended for readers under the age of 18. **NOTE:** This is the complete season for All He Desires. This piece includes The Invitation, The Proposal, The Limelight and The Ceremony.

Breaking News Ongoing skepticism over the impact of Brexit suggests that rental growth in prime central London Yorkshire unveils record low rate of 0.89% 7 hours ago LONDON FLATS 0 Yorkshire Building Society has launched a 2-year discount rate mortgage at 0.89% up to 65% loan-to-value. The product comes with a £1,495 fee, though the society also offers a £995 fee option at 1.05%. James Farrow, senior mortgage manager at Yorkshire Building Society, said: "We are very pleased to offer borrowers the lowest mortgage rate ever available. "The cost of funding has fallen in recent weeks and as a financially strong building society with no external shareholders to satisfy we have the ability to pass this on to borrowers." After the 2-year period the mortgage will revert to the lender's standard variable rate, which is currently 4.74%. Rachel Springall, finance expert at Moneyfacts, said: "It's fantastic to see such low rates on offer from Yorkshire Building Society and the choice between variable or fixed deal will appeal to different types of borrowers. "Those looking for more flexibility over the shorter term may prefer a discounted deal, but those looking for some security could choose the fixed rate. "In such a low interest rate environment it would be ideal for borrowers to consider overpaying their mortgage. As with any option borrowers would be wise to weigh up the entire package before entering any arrangement." The post Yorkshire unveils record low rate of 0.89% appeared first on Mortgage Introducer.
