

Male Angst: FML I Always Get Those Chicks (Male Angst Series Book 1)

Male Angst Volume I.: FML, I Always Get Those Chicks is the antithesis to 50 Shades of Grey. In this novel, Reggie recounts two disastrous short term relationships: the first to a weed head Vietnamese mother of two who owns a nail salon and has an obsessed husband; and the second to an underemployed yet overweight Hispanic mother of two with two baby-daddies and secret sauce. Add to the character mix an interesting oasis of thugs and lowlifes who are sympathetic to Reggie's cause and help him to count his blessings. Reggie Jenkins is on to something but he just isn't getting it right. He is quasi-urban: too black for the mainstream, but not black enough for the underground. The passing away of people, opportunities, and relationships in Reggie's life have left a hole that he attempts to fill with sex, drugs, and false ego. Reggie has Male Angst.

Breaking News Ongoing skepticism over the impact of brexit suggests that rental growth in prime central London Yorkshire unveils record low rate of 0.89% 7 hours ago LONDON FLATS 0 Yorkshire Building Society has launched a 2-year discount rate mortgage at 0.89% up to 65% loan-to-value. The product comes with a £1,495 fee, though the society also offers a £995 fee option at 1.05%. James Farrow, senior mortgage manager at Yorkshire Building Society, said: "We are very pleased to offer borrowers the lowest mortgage rate ever available. "The cost of funding has fallen in recent weeks and as a financially strong building society with no external shareholders to satisfy we have the ability to pass this on to borrowers." After the 2-year period the mortgage will revert to the lender's standard variable rate, which is currently 4.74%. Rachel Springall, finance expert at Moneyfacts, said: "It's fantastic to see such low rates on offer from Yorkshire Building Society and the choice between variable or fixed deal will appeal to different types of borrowers. "Those looking for more flexibility over the shorter term may prefer a discounted deal, but those looking for some security could choose the fixed rate. "In such a low interest rate environment it would be ideal for borrowers to consider overpaying their mortgage. As with any option borrowers would be wise to weigh up the entire package before entering any arrangement." The post Yorkshire unveils record low rate of 0.89% appeared first on Mortgage Introducer.
