

de-pop (Neah Bey Book 1)

Secret agent Neah Bey has a plan to slow the growth of the global populace. Blessed with brains and experience with spycraft, he intends to preserve a higher quality of life for all. But he didn't count on an attack from a proxy of the Church, with a history almost as devious as his own. Bey soon finds himself on the run with his wife Ione, they must face a battle against an enemy they don't know and have never met. Former cop Del Omak was drifting through life until a phone call changes his life forever and transforms him into an unwilling agent of the Church. Ordered to bring down Neah Bey, he finds the job is harder than he had anticipated. But failure is not an option, and Del intends to get his man. In this high-paced thriller, only one man can stop Neah Bey. Who will win this battle of spy against spy? For an autographed copy of de-pop, please go to de-pop.com. Breaking News Ongoing skepticism over the impact of brexit suggests that rental growth in prime central London
Yorkshire unveils record low rate of 0.89% 7 hours ago LONDON FLATS 0 Yorkshire Building Society has launched a
2-year discount rate mortgage at 0.89% up to 65% loan-to-value. The product comes with a £1,495 fee, though the
society also offers a £995 fee option at 1.05%. James Farrow, senior mortgage manager at Yorkshire Building Society,
said: "We are very pleased to offer borrowers the lowest mortgage rate ever available. "The cost of funding has fallen in
recent weeks and as a financially strong building society with no external shareholders to satisfy we have the ability to
pass this on to borrowers." After the 2-year period the mortgage will revert to the lender's standard variable rate, which
is currently 4.74%. Rachel Springall, finance expert at Moneyfacts, said: "It's fantastic to see such low rates on offer
from Yorkshire Building Society and the choice between variable or fixed deal will appeal to different types of
borrowers. "Those looking for more flexibility over the shorter term may prefer a discounted deal, but those looking for
some security could choose the fixed rate. "In such a low interest rate environment it would be ideal for borrowers to
consider overpaying their mortgage. As with any option borrowers would be wise to weigh up the entire package before
entering any arrangement." The post Yorkshire unveils record low rate of 0.89% appeared first on Mortgage Introducer.
