

My Soul Mate Is Missing (Rocky Romance: The Love Detective, Book #1, a Novel)

My Soul Mate is Missing Garners a 5 Star Review by LoveStories.com: This Debut Novel is fast, sexy, and witty! Combine a young James Bond and Jack Reacher with some hellacious fight scenes mix in a damsel in distress from a 1950s Raymond Chandler novel the kind of dame that has sharp nails and a knife hidden behind her back add some of the steam you find in today's explosion of romance-erotica and you have one rocking adventure with plenty of humor, danger, and enough sexual tension to blow your top. Her Soul Mate Is Missing by Rocky Romance and starring Rocky Romance (this guy, whoever he is, has plenty of energy and ego) is a debut short novel that absolutely took us by surprise in the best kind of way. Fast, sexy and witty! Rocky has our 5 Star Page-Turner recommendation. We can't wait to see if he can keep it up on his next novel! For Mature Audiences. We must admit, however, this is one of the funniest, sexiest tongue-and-cheek thrillers you will ever find between the covers. Grace Grinder LoveStories.com Review of Books About the book: Even the best romance has a way of getting off course and taking a rocky road so when a beautiful blonde shows up at Rocky's office with a broken heart and a river of tears to prove it along with a body to kill for Rocky Romance (The Love Detective) takes the case. Rocky just can't say no to a beautiful woman. The assignment is straightforward, My soul mate is missing, I need someone to find him. I've heard you're the best. But when Rocky closes in on the lover who has gone MIA and discovers the barrel of a Sig Sauer pressed against his temple, he realizes that maybe he's been fed a line and not the kind of line he loves to grab onto and pull in close. Private investigator, veteran, and tough guy with a soft heart and feeling the pain of a missing soul mate of his own no one is better at untangling a complicated love mystery than Rocky

Romance. He shoots straight with his Heckler & Koch .45 and hell shoot straight with a client to help them figure out when a rocky romance needs to be saved and when they have to let it go. Hell do everything he can to bring these star-crossed lovers back together but only if he can stay alive. About the author, Rocky Romance (TM): Rocky Romance grew up in the heart of America, Columbus, Ohio, and perhaps that's why his career focuses on matters of the heart. He was a star football player at Bishop Hartley High School he still swears that the school was named after Ohio State Heisman winner, Chic Hartley and played college ball for the University of Miami (Ohio) Redhawks. He's never forgiven then Buckeye football coach Earle Bruce for not recruiting him. Rocky was a seventh round draft pick by the Chicago Bears but after bouncing around trying to hook on with an NFL team for three years and not making a roster he followed the call of Uncle Sam to Iraq and Gulf War II. Rocky was an Army Ranger in a special ops division of the Big Red One. He is still prohibited from sharing the nature of his work, most of it with highest security classifications, in Iraq and neighboring countries for the United States government. Rocky won't say much about his return to civilian life and how he ended up working as a private investigator, but he will tell you people don't understand how tough it is for some soldiers that have spent their career in combat zones to make the transition home. He visits the VFW every week. Rocky has never been married. He says he is waiting for the perfect woman. Some think there is a woman in his past and one of his Army buddies (who wishes to remain anonymous) swears that he met her outside the fence in Iraq. Rocky trains at Gold's Gym in Venice Beach and Santa Monica Iron. He enjoys a cigar a couple times a week. His motto: Any day that ends with a cigar was a good day. If it's not a Cuban he likes a Rocky Patel, naturally. Rocky Romance is a trademark of Rocky Romance, LLC. All Rights Reserved.

Yorkshire unveils record low rate of 0.89% 7 hours ago LONDON FLATS 0 Yorkshire Building Society has launched a
2-year discount rate mortgage at 0.89% up to 65% loan-to-value. The product comes with a £1,495 fee, though the
society also offers a £995 fee option at 1.05%. James Farrow, senior mortgage manager at Yorkshire Building Society,
said: “We are very pleased to offer borrowers the lowest mortgage rate ever available. “The cost of funding has fallen in
recent weeks and as a financially strong building society with no external shareholders to satisfy we have the ability to
pass this on to borrowers.” After the 2-year period the mortgage will revert to the lender’s standard variable rate, which
is currently 4.74%. Rachel Springall, finance expert at Moneyfacts, said: “It’s fantastic to see such low rates on offer
from Yorkshire Building Society and the choice between variable or fixed deal will appeal to different types of
borrowers. “Those looking for more flexibility over the shorter term may prefer a discounted deal, but those looking for
some security could choose the fixed rate. “In such a low interest rate environment it would be ideal for borrowers to
consider overpaying their mortgage. As with any option borrowers would be wise to weigh up the entire package before
entering any arrangement.” The post Yorkshire unveils record low rate of 0.89% appeared first on Mortgage Introducer.
