

## Dead Mans Boot

Clay Andrews has ridden to the Pecos River in 1869 to find answers. His sister has died, and the person perhaps responsible may have fled to this no-mans-land. In a dead mans boot, Clay finds a map to rumored gold in the Guadalupe Mountains. Fleeing Comanches, he comes upon Lil Casner. Long abused in an arranged marriage, she must fend for herself while her obsessed husband combs the Pecos for the very map Clay has discovered. Comanche attacks . . . a kidnapping . . . a chase through Apache country to Skeleton Cave and on to the Guadalupe Mountains. For Clay, the answers will never come unless he rides into a mountain range where Indian spirits may guard a golden hoard.

Yorkshire unveils record low rate of 0.89% 7 hours ago LONDON FLATS 0 Yorkshire Building Society has launched a  
2-year discount rate mortgage at 0.89% up to 65% loan-to-value. The product comes with a £1,495 fee, though the  
society also offers a £995 fee option at 1.05%. James Farrow, senior mortgage manager at Yorkshire Building Society,  
said: “We are very pleased to offer borrowers the lowest mortgage rate ever available. “The cost of funding has fallen in  
recent weeks and as a financially strong building society with no external shareholders to satisfy we have the ability to  
pass this on to borrowers.” After the 2-year period the mortgage will revert to the lender’s standard variable rate, which  
is currently 4.74%. Rachel Springall, finance expert at Moneyfacts, said: “It’s fantastic to see such low rates on offer  
from Yorkshire Building Society and the choice between variable or fixed deal will appeal to different types of  
borrowers. “Those looking for more flexibility over the shorter term may prefer a discounted deal, but those looking for  
some security could choose the fixed rate. “In such a low interest rate environment it would be ideal for borrowers to  
consider overpaying their mortgage. As with any option borrowers would be wise to weigh up the entire package before  
entering any arrangement.” The post Yorkshire unveils record low rate of 0.89% appeared first on Mortgage Introducer.
