

## Buggery Bundle (BDSM gay soldier humiliation) (British Army Buggery Book 4)

This great value story pack combines the first three British Army Buggery stories from Sapphire Rush! In British Army Buggery, a naughty new recruit to the Queens Own Royal Regiment discovers that sadistic Sergeant Willing has his own, highly peculiar ideas about discipline! In The Provost Sergeants Dungeon, Lance-Corporal Headley disobeys Sergeant Willing for a secret tryst, but soon comes to realise what a massive mistake he's made when he is found out! In Captured by the Corporal, cruel Corporal Stroke kidnaps an innocent young private and has his wicked way with him in the bases gymnasium. How far will Stroke go to initiate the young man into the world of his twisted desires? This sizzling collection is 23,000 words long, and contains (at various times) vast amounts of sex in public, tease and denial, voyeurism, exhibitionism, BDSM experimentation and lifestyling, anal sex, oral sex, spanking, penetration with objects, mutual masturbation, CBT, figging, sadistically skewed power relationships, secret dungeons, and lots of fit young men in tight uniforms.

Breaking News Ongoing skepticism over the impact of Brexit suggests that rental growth in prime central London Yorkshire unveils record low rate of 0.89% 7 hours ago LONDON FLATS 0 Yorkshire Building Society has launched a 2-year discount rate mortgage at 0.89% up to 65% loan-to-value. The product comes with a £1,495 fee, though the society also offers a £995 fee option at 1.05%. James Farrow, senior mortgage manager at Yorkshire Building Society, said: "We are very pleased to offer borrowers the lowest mortgage rate ever available. "The cost of funding has fallen in recent weeks and as a financially strong building society with no external shareholders to satisfy we have the ability to pass this on to borrowers." After the 2-year period the mortgage will revert to the lender's standard variable rate, which is currently 4.74%. Rachel Springall, finance expert at Moneyfacts, said: "It's fantastic to see such low rates on offer from Yorkshire Building Society and the choice between variable or fixed deal will appeal to different types of borrowers. "Those looking for more flexibility over the shorter term may prefer a discounted deal, but those looking for some security could choose the fixed rate. "In such a low interest rate environment it would be ideal for borrowers to consider overpaying their mortgage. As with any option borrowers would be wise to weigh up the entire package before entering any arrangement."
