

The Squirrel with the Acorn Tattoo: Book Seven in the Squirrel Chronicle Series

Harold Finebender arrives at work to discover Finebruners Fine Writing Instruments, his place of employment for twenty-seven and a half years, has been sold to Bobby Ziffel who plans to turn it into a Ziffel Express, Pens In A Hurry store. Harold wasn't the only one receiving bad news that morning. Roscoe learned that Highly Exalted Chairman Bruce who he was going to replace, refused to leave office because with two more months on the job, he'd be eligible for extended benefits in his retirement package. Thelma Finebender nearly burns Events Centerline, the newly constructed exhibition center, to the ground when her hoop dancing team performs their Olympic Tribute in the Hoop-O-Rama competition. Marvin loses his heart and the Pawmark fall collection of greeting cards when he comes to the aid of a squirrel with an acorn tattoo. And, members of the Community of Abner are confronted with the Reflect-O-Pool, the latest addition in the Squirrel Away pest control arsenal. These are a few of the adventures awaiting the reader of *The Squirrel With the Acorn Tattoo*, book seven in The Squirrel Chronicles series.

Yorkshire unveils record low rate of 0.89% 7 hours ago LONDON FLATS 0 Yorkshire Building Society has launched a
2-year discount rate mortgage at 0.89% up to 65% loan-to-value. The product comes with a £1,495 fee, though the
society also offers a £995 fee option at 1.05%. James Farrow, senior mortgage manager at Yorkshire Building Society,
said: "We are very pleased to offer borrowers the lowest mortgage rate ever available. "The cost of funding has fallen in
recent weeks and as a financially strong building society with no external shareholders to satisfy we have the ability to
pass this on to borrowers." After the 2-year period the mortgage will revert to the lender's standard variable rate, which
is currently 4.74%. Rachel Springall, finance expert at Moneyfacts, said: "It's fantastic to see such low rates on offer
from Yorkshire Building Society and the choice between variable or fixed deal will appeal to different types of
borrowers. "Those looking for more flexibility over the shorter term may prefer a discounted deal, but those looking for
some security could choose the fixed rate. "In such a low interest rate environment it would be ideal for borrowers to
consider overpaying their mortgage. As with any option borrowers would be wise to weigh up the entire package before
entering any arrangement." The post Yorkshire unveils record low rate of 0.89% appeared first on Mortgage Introducer.
