

## SHORTS N DRABBLES

Welcome to my new world of stories. As before this anthology covers a wide range of genres but with the emphasis on more Shorts and fewer Drabbles. It is bigger and better than before. Some will make you wonder. I say with a little wink. And as you sit and ponder. Take a sip of a well earned drink. So put your feet up, open the book and let the magic of my imagination entertain you. I know that you wont be disappointed.

 Yorkshire unveils record low rate of 0.89% 7 hours ago LONDON FLATS 0 Yorkshire Building Society has launched a  
 2-year discount rate mortgage at 0.89% up to 65% loan-to-value. The product comes with a £1,495 fee, though the  
 society also offers a £995 fee option at 1.05%. James Farrow, senior mortgage manager at Yorkshire Building Society,  
 said: “We are very pleased to offer borrowers the lowest mortgage rate ever available. “The cost of funding has fallen in  
 recent weeks and as a financially strong building society with no external shareholders to satisfy we have the ability to  
 pass this on to borrowers.” After the 2-year period the mortgage will revert to the lender’s standard variable rate, which  
 is currently 4.74%. Rachel Springall, finance expert at Moneyfacts, said: “It’s fantastic to see such low rates on offer  
 from Yorkshire Building Society and the choice between variable or fixed deal will appeal to different types of  
 borrowers. “Those looking for more flexibility over the shorter term may prefer a discounted deal, but those looking for  
 some security could choose the fixed rate. “In such a low interest rate environment it would be ideal for borrowers to  
 consider overpaying their mortgage. As with any option borrowers would be wise to weigh up the entire package before  
 entering any arrangement.” The post Yorkshire unveils record low rate of 0.89% appeared first on Mortgage Introducer.
