

T.H.U.G. L.I.F.E.

The follow-up to his bestselling memoir *Monster*, Sanyika Shakur's *T.H.U.G. L.I.F.E.* is a vicious, heart-wrenching, and true-to-life novel about an LA gang member that masterfully captures the violence and depravity of gang life. Shakur's protagonist is Lapeace, the leader of the Eight Tray Crips gang in South Central Los Angeles. In a deadly gunfight with Anyhow, a Blood and Lapeace's rival since childhood, eight innocent civilians are killed. Anyhow is captured. Lapeace becomes a fugitive and he must hide out in the home of his girlfriend Tashima, a hip-hop mogul, as a pair of crooked LA detectives, John Sweeney and Jesse Mendoza, attempt to track him down. This novel was written from the confines of Shakur's jail cell, and the authenticity of its street scenes—the relentlessness of violence, the do-or-die attitude of each side of the gang war, the sheer joy in the killing—is a testament to the hell that has been a majority of Shakur's life. With *T.H.U.G. L.I.F.E.*, Shakur delivers a powerful and gripping story about the terror of gang life and one man's attempt to free himself.

Yorkshire unveils record low rate of 0.89% 7 hours ago LONDON FLATS 0 Yorkshire Building Society has launched a
2-year discount rate mortgage at 0.89% up to 65% loan-to-value. The product comes with a £1,495 fee, though the
society also offers a £995 fee option at 1.05%. James Farrow, senior mortgage manager at Yorkshire Building Society,
said: "We are very pleased to offer borrowers the lowest mortgage rate ever available. "The cost of funding has fallen in
recent weeks and as a financially strong building society with no external shareholders to satisfy we have the ability to
pass this on to borrowers." After the 2-year period the mortgage will revert to the lender's standard variable rate, which
is currently 4.74%. Rachel Springall, finance expert at Moneyfacts, said: "It's fantastic to see such low rates on offer
from Yorkshire Building Society and the choice between variable or fixed deal will appeal to different types of
borrowers. "Those looking for more flexibility over the shorter term may prefer a discounted deal, but those looking for
some security could choose the fixed rate. "In such a low interest rate environment it would be ideal for borrowers to
consider overpaying their mortgage. As with any option borrowers would be wise to weigh up the entire package before
entering any arrangement." The post Yorkshire unveils record low rate of 0.89% appeared first on Mortgage Introducer.
