

Three Times a Woman: A novel

Gina Johnson-Logan is a 30 something year old country bumkin reflecting on her teen years. Having been a teenage mother, Gina transforms from a promiscuous teen to a woman putting God first in her life. As Gina humorously tells the story of her family members, her blessings and her success, there are valuable lessons she's trying to convey. As Gina goes through her three stages of womanhood, she finds herself blaming her mother for her promiscuity and the way her life plays out. Now looking back, Gina chuckles at how fast she was, and how she was trying to be a woman too soon. Gina eventually finds love, success and the need to come to the rescue of teenage girls traveling down the same road she traveled. While she tells her story with a lot of humor, Gina does have some drama going on as well.

Yorkshire unveils record low rate of 0.89% 7 hours ago LONDON FLATS 0 Yorkshire Building Society has launched a
2-year discount rate mortgage at 0.89% up to 65% loan-to-value. The product comes with a £1,495 fee, though the
society also offers a £995 fee option at 1.05%. James Farrow, senior mortgage manager at Yorkshire Building Society,
said: "We are very pleased to offer borrowers the lowest mortgage rate ever available. "The cost of funding has fallen in
recent weeks and as a financially strong building society with no external shareholders to satisfy we have the ability to
pass this on to borrowers." After the 2-year period the mortgage will revert to the lender's standard variable rate, which
is currently 4.74%. Rachel Springall, finance expert at Moneyfacts, said: "It's fantastic to see such low rates on offer
from Yorkshire Building Society and the choice between variable or fixed deal will appeal to different types of
borrowers. "Those looking for more flexibility over the shorter term may prefer a discounted deal, but those looking for
some security could choose the fixed rate. "In such a low interest rate environment it would be ideal for borrowers to
consider overpaying their mortgage. As with any option borrowers would be wise to weigh up the entire package before
entering any arrangement." The post Yorkshire unveils record low rate of 0.89% appeared first on Mortgage Introducer.
