

Grow Up

DOING DRUGS, DOING SEX, DOING LIFE Who says youth is wasted on the young? Jasper wants to get on in the world, but life is distracting. Hes got his A-levels to contend with, his mother pushing him to overachieve, weekly visits to his psychologist, come-downs, YouTube suicides and pregnant one-night-stands. And then theres his step-dad - the murderer. Hilarious and heartbreaking by turns, GROW UP is the ultimate twenty-first-century coming of age novel. Funny, smart and twisted, it is the story of one young man transformed and paints an unashamed and true portrait of the pills and thrills and bellyaches of growing up today.

Breaking News Ongoing skepticism over the impact of brexit suggests that rental growth in prime central London Yorkshire unveils record low rate of 0.89% 7 hours ago LONDON FLATS 0 Yorkshire Building Society has launched a 2-year discount rate mortgage at 0.89% up to 65% loan-to-value. The product comes with a £1,495 fee, though the society also offers a £995 fee option at 1.05%. James Farrow, senior mortgage manager at Yorkshire Building Society, said: "We are very pleased to offer borrowers the lowest mortgage rate ever available. "The cost of funding has fallen in recent weeks and as a financially strong building society with no external shareholders to satisfy we have the ability to pass this on to borrowers." After the 2-year period the mortgage will revert to the lender's standard variable rate, which is currently 4.74%. Rachel Springall, finance expert at Moneyfacts, said: "It's fantastic to see such low rates on offer from Yorkshire Building Society and the choice between variable or fixed deal will appeal to different types of borrowers. "Those looking for more flexibility over the shorter term may prefer a discounted deal, but those looking for some security could choose the fixed rate. "In such a low interest rate environment it would be ideal for borrowers to consider overpaying their mortgage. As with any option borrowers would be wise to weigh up the entire package before entering any arrangement." The post Yorkshire unveils record low rate of 0.89% appeared first on Mortgage Introducer.
