

Danger Games: Volume 1 (Book 1 - 3) (Gay Erotica)

Join super spies Michael and Damien in their hot and steamy adventures across the globe in this collection of books from the Danger Games series. Volume 1 contains the first three books: Killer Liaison, Lethal Attraction and Deadly Rendezvous.---Part I: Killer LiaisonTo fuck or be fucked, that is the real question.A simple assignment becomes problematic for Michael when the drug he took for his male escort cover gives him a raging hard-on that wont subside. When he encounters Damien, whose dashing good-looks and breath-stealing smile grabs Michaels attention at first sight, sparks fly.Michael has no idea who this mysterious stranger is, and for a man of his occupation, that could be a very dangerous mistake. With his body tempting him to go for it even though his brain screams no, Michael decides, for once, to listen to his body instead of his head.What would happen when Michael gives in to his lust and desires for Damien?---Part II: Lethal AttractionIf anyone asks Damien, hed say that life is good. For the moment anyways. Hes working a job he enjoys doing, gets to travel the world like he always wanted to, and is having some of the best sex hes ever had. He isnt sure how to qualify his relationship with Michael, but for the first time in many, many years, he is content and happy.So, yes, life is good.That is, until Michael finds out what he does for a living.Will their mutual attraction and budding feelings for each other be enough to keep Damien and Michael together?---Part III: Deadly RendezvousMichael and Damien finally find out the truth about each other, and while there may be severe consequences, their feelings towards one another are too strong to ignore. They decide to risk it all and stay together.But when their identities are compromised by an unknown party, it puts both their lives in serious jeopardy. Who is behind these mysterious forces?

And more importantly, what will this do to Michael and Damien as they struggle to stay alive?---WARNING: This collection of short stories contains explicit and graphical depictions of gay sex (oral sex, anal sex, rimming and fingering), and is intended for mature audiences only. Yorkshire unveils record low rate of 0.89% 7 hours ago LONDON FLATS 0 Yorkshire Building Society has launched a
2-year discount rate mortgage at 0.89% up to 65% loan-to-value. The product comes with a £1,495 fee, though the
society also offers a £995 fee option at 1.05%. James Farrow, senior mortgage manager at Yorkshire Building Society,
said: “We are very pleased to offer borrowers the lowest mortgage rate ever available. “The cost of funding has fallen in
recent weeks and as a financially strong building society with no external shareholders to satisfy we have the ability to
pass this on to borrowers.” After the 2-year period the mortgage will revert to the lender’s standard variable rate, which
is currently 4.74%. Rachel Springall, finance expert at Moneyfacts, said: “It’s fantastic to see such low rates on offer
from Yorkshire Building Society and the choice between variable or fixed deal will appeal to different types of
borrowers. “Those looking for more flexibility over the shorter term may prefer a discounted deal, but those looking for
some security could choose the fixed rate. “In such a low interest rate environment it would be ideal for borrowers to
consider overpaying their mortgage. As with any option borrowers would be wise to weigh up the entire package before
entering any arrangement.” The post Yorkshire unveils record low rate of 0.89% appeared first on Mortgage Introducer.
