

## Make a Right

Genre: LGBT Contemporary Stubborn, loving, and loyal, Tuck would take care of the world if the world would let him. When he loves, he loves for life. Even when hes on the edge of a breakup with Cade he cant give up hope for their future. Tuck knows that a painful secret from his past is haunting Cade and driving him away. He swears hell find out whats wrong and make it right or die trying. When he and Cade are invited to the wedding of a pair of foster kids they once rescued, Tuck convinces Cade to go with him. Theyll pretend nothings wrong so they wont spoil the wedding for the girls they think of as daughters. Being this close to Tuck again, Cades resolve stumbles. Hes falling in love again--but it wont last unless he and Tuck can reconcile their differences. Though Cade wants to tell Tuck the truth, pride keeps his lips sealed. He knows his one chance at a reconciliation is giving up his secrets. The reward would be absolute--but can Cade find the courage to take the risk and face the consequences? Two wrongs dont usually make a right. But sometimes--if youre lucky--against all odds, they do. Yorkshire unveils record low rate of 0.89% 7 hours ago LONDON FLATS 0 Yorkshire Building Society has launched a  
2-year discount rate mortgage at 0.89% up to 65% loan-to-value. The product comes with a £1,495 fee, though the  
society also offers a £995 fee option at 1.05%. James Farrow, senior mortgage manager at Yorkshire Building Society,  
said: "We are very pleased to offer borrowers the lowest mortgage rate ever available. "The cost of funding has fallen in  
recent weeks and as a financially strong building society with no external shareholders to satisfy we have the ability to  
pass this on to borrowers." After the 2-year period the mortgage will revert to the lender's standard variable rate, which  
is currently 4.74%. Rachel Springall, finance expert at Moneyfacts, said: "It's fantastic to see such low rates on offer  
from Yorkshire Building Society and the choice between variable or fixed deal will appeal to different types of  
borrowers. "Those looking for more flexibility over the shorter term may prefer a discounted deal, but those looking for  
some security could choose the fixed rate. "In such a low interest rate environment it would be ideal for borrowers to  
consider overpaying their mortgage. As with any option borrowers would be wise to weigh up the entire package before

entering any arrangement.” The post Yorkshire unveils record low rate of 0.89% appeared first on Mortgage Introducer.
