

DOG Gone Christmas: A Cozy Little Murder Mystery

Seven years ago the housekeeper, Maudelle Perkins, found Horace Fletcher, Director of Shady Rest Funeral Home, dead at his desk. Cyrus Dedeaux, one of three morticians hired by Mr. and Mrs. Fletcher, was declared guilty. However, new DNA evidence, presented by his lawyer, had proven Mr. Dedeaux innocent and he has been set free! Three days after Cyrus returned, there has been an alleged attempted murder on Rose Fletcher, Horace's widow, and a body has washed up on the beach. Before attending the gala benefit honoring environmentalist, Dr. Horatio Banks, in Bay St. Louis, Mississippi, Mrs. Julia McKenna and her boyfriend, Captain Eric VonBoatner, are supposed to pick up a 1927 Model T. Ford, which she won two months earlier in a drawing. During an impromptu shopping spree, Aunt Jewels and a dog named Maggie May are kidnapped and dog napped respectively. Upon inspection of the floorboards inside of the antique car, her niece, Private Investigator Bea Winslow, discovers small specks of dried blood. Mystery, mayhem and merriment, follow these two sleuths as they weave their humor, crime solving tactics and hilarious antics, through a host of unsavory characters, the funeral parlor, saving the environment, Christmas festivities in the Bay and finding Aunt Jewels and Maggie May.

Breaking News Ongoing skepticism over the impact of brexit suggests that rental growth in prime central London
Yorkshire unveils record low rate of 0.89% 7 hours ago LONDON FLATS 0 Yorkshire Building Society has launched a
2-year discount rate mortgage at 0.89% up to 65% loan-to-value. The product comes with a £1,495 fee, though the
society also offers a £995 fee option at 1.05%. James Farrow, senior mortgage manager at Yorkshire Building Society,
said: "We are very pleased to offer borrowers the lowest mortgage rate ever available. "The cost of funding has fallen in
recent weeks and as a financially strong building society with no external shareholders to satisfy we have the ability to
pass this on to borrowers." After the 2-year period the mortgage will revert to the lender's standard variable rate, which
is currently 4.74%. Rachel Springall, finance expert at Moneyfacts, said: "It's fantastic to see such low rates on offer
from Yorkshire Building Society and the choice between variable or fixed deal will appeal to different types of
borrowers. "Those looking for more flexibility over the shorter term may prefer a discounted deal, but those looking for

some security could choose the fixed rate. “In such a low interest rate environment it would be ideal for borrowers to consider overpaying their mortgage. As with any option borrowers would be wise to weigh up the entire package before entering any arrangement.” The post Yorkshire unveils record low rate of 0.89% appeared first on Mortgage Introducer.
