

Manhunters

As he flees to the sanctuary of Mexico, Chacho Fernandez is unaware of the fuel he has added to the already simmering racial hatreds in and around the quiet town of Domingo, Texas. Through events set in motion by a misunderstanding, Chacho becomes a folk hero to his people and a dangerous fugitive to a group of zealous lawmen. Manhunters, the tale of Chachos legendary flight, was inspired by the story of controversial Mexican fugitive Gregorio Cortez. In 1901 Cortez, a young horseman, shot a sheriff during an argument, leading to the largest concerted manhunt in Texas history.

Yorkshire unveils record low rate of 0.89% 7 hours ago LONDON FLATS 0 Yorkshire Building Society has launched a
2-year discount rate mortgage at 0.89% up to 65% loan-to-value. The product comes with a £1,495 fee, though the
society also offers a £995 fee option at 1.05%. James Farrow, senior mortgage manager at Yorkshire Building Society,
said: “We are very pleased to offer borrowers the lowest mortgage rate ever available. “The cost of funding has fallen in
recent weeks and as a financially strong building society with no external shareholders to satisfy we have the ability to
pass this on to borrowers.” After the 2-year period the mortgage will revert to the lender’s standard variable rate, which
is currently 4.74%. Rachel Springall, finance expert at Moneyfacts, said: “It’s fantastic to see such low rates on offer
from Yorkshire Building Society and the choice between variable or fixed deal will appeal to different types of
borrowers. “Those looking for more flexibility over the shorter term may prefer a discounted deal, but those looking for
some security could choose the fixed rate. “In such a low interest rate environment it would be ideal for borrowers to
consider overpaying their mortgage. As with any option borrowers would be wise to weigh up the entire package before
entering any arrangement.” The post Yorkshire unveils record low rate of 0.89% appeared first on Mortgage Introducer.
