

Rumo: And His Miraculous Adventures

Rumo is a little Wolperting who will one day become the greatest hero in the history of Zamonia. Armed with Dandelion, his talking sword, he fights his way across Overworld and Netherworld, two very different realms chock-full of adventures, dangers, and unforgettable characters: Rala, the beautiful girl Wolperting who cultivates a hazardous relationship with death; General Ticktock, the evil commander of the Copper Killers; Ushan DeLuca, the finest and most weather-sensitive swordsman in Zamonia; Volzotan Smyke, the corpulent Shark Grub; Rolv of the Forest, a Wolperting who can pass through the White Fire; Yggdra Syl, the guardian of the Nurn Forest and its talkative animals; Professor Abdullah Nightingale, inventor of the Chest-of-Drawers Oracle; and, the worst of luck, the deadly Metal Maiden. Astonishingly inventive, amusing and engrossing, Rumo is a captivating story from the wildly fanciful imagination of Walter Moers.

Breaking News Ongoing skepticism over the impact of brexit suggests that rental growth in prime central London
Yorkshire unveils record low rate of 0.89% 7 hours ago LONDON FLATS 0 Yorkshire Building Society has launched a
2-year discount rate mortgage at 0.89% up to 65% loan-to-value. The product comes with a £1,495 fee, though the
society also offers a £995 fee option at 1.05%. James Farrow, senior mortgage manager at Yorkshire Building Society,
said: “We are very pleased to offer borrowers the lowest mortgage rate ever available. “The cost of funding has fallen in
recent weeks and as a financially strong building society with no external shareholders to satisfy we have the ability to
pass this on to borrowers.” After the 2-year period the mortgage will revert to the lender’s standard variable rate, which
is currently 4.74%. Rachel Springall, finance expert at Moneyfacts, said: “It’s fantastic to see such low rates on offer
from Yorkshire Building Society and the choice between variable or fixed deal will appeal to different types of
borrowers. “Those looking for more flexibility over the shorter term may prefer a discounted deal, but those looking for
some security could choose the fixed rate. “In such a low interest rate environment it would be ideal for borrowers to
consider overpaying their mortgage. As with any option borrowers would be wise to weigh up the entire package before
entering any arrangement.” The post Yorkshire unveils record low rate of 0.89% appeared first on Mortgage Introducer.
