

A Muse in Time A Novella An Essay on Honor

Time, passion, bloodlessness; survival, integrity, victory, lovers, a muse, knowledge good, understanding sublime. Honor; the wicked master. Redemption, the tough and unforgiving act. Lust; the wicked mistress. Legacies. Paradise lost. Driven temptresses. Wary, beauty. Power vacuums. Life on the lam. The guts of daily battle. The guts of blood and guts, blood and tears, sentiment, pretense. The guts of the price of admission. Cynical, tough, resplendent in awe. The hero. Wary, beauty of the night, femme fatale, too smooth for words; friend and confidant, charming creature, protagonist and antagonist. The heroine. Ecstasy and economy. Enemy and lover. ?I offer you sleep at night, warmth in contemplation, dear boy,? Amy said. ?I offer you stunning charges to be made by rancid outlaws and fairy princesses,? she said. ?You could be the backdrop for the haunting sides of viral poisons careening through times and weak demeanors,? she said. ?Limber up the rewards for action, play, being, purpose, dear little boy blue,? she said. ?I?ll dance to the piper,? she would say. ?I?ll dance and I?ll blow him a damned kiss,? she would say. ?I?ll blow you a kiss, too, baby,? she said. ?A nice to big kiss, baby,? she said. ?Just for you,? she said. ?A nice to big kiss,? Jo said. ?I love each and every one connected with this farce,? she said. The road to hell is paved with sour intentions. The foils of the game game those who are too damned tired to really give too much of a damn. Cynical, snide rules the game as Panoramas of endless beauty highlight the emptiness of standing, the mirage of talk, the grandeur of lust. Amy, a muse in time seeks her redemption

Yorkshire unveils record low rate of 0.89% 7 hours ago LONDON FLATS 0 Yorkshire Building Society has launched a
2-year discount rate mortgage at 0.89% up to 65% loan-to-value. The product comes with a £1,495 fee, though the

society also offers a £995 fee option at 1.05%. James Farrow, senior mortgage manager at Yorkshire Building Society, said: "We are very pleased to offer borrowers the lowest mortgage rate ever available. "The cost of funding has fallen in recent weeks and as a financially strong building society with no external shareholders to satisfy we have the ability to pass this on to borrowers." After the 2-year period the mortgage will revert to the lender's standard variable rate, which is currently 4.74%. Rachel Springall, finance expert at Moneyfacts, said: "It's fantastic to see such low rates on offer from Yorkshire Building Society and the choice between variable or fixed deal will appeal to different types of borrowers. "Those looking for more flexibility over the shorter term may prefer a discounted deal, but those looking for some security could choose the fixed rate. "In such a low interest rate environment it would be ideal for borrowers to consider overpaying their mortgage. As with any option borrowers would be wise to weigh up the entire package before entering any arrangement." The post Yorkshire unveils record low rate of 0.89% appeared first on Mortgage Introducer.
