

BBW Annabelles Awakening: BBW BDSM Hot Erotic Romance (The Cruise Series II Book 1)

Hot BBW BDSM Erotic Romance
WARNING -- Contains explicit language and graphic sex scenes only suitable for adults. Annabelle boards The Cruise ship and her life will never be the same . . . Annabelle watches from the comfort of her bed as her life crumbles and falls apart, avoiding the phone, avoiding the questions. What can she say except that her husband has left her behind in the dust; a younger model has caught his eye. The thought of revenge is the only thing that has gotten her out of bed in weeks, and then her best friend pushes her for more. The Cruise seems like the place where, if she cant mend her broken heart, she can at least have some no-strings attached fun. When she meets Reuben though, common sense seems to take a back seat to her fantasy. But what happens when her fantasy takes control? Its going to be more than a wild ride at the turn of every page of The Cruise Series II, Book 1 Sample: She heard the sound of his hand move through the air behind her, heard the slap on her bottom before she felt the heat from the solid thud on her skin. Another slap landed on her other cheek. Annabelle sighed and pushed her ass up for more. Reuben continued. The slaps started with a sting, and she felt her skin get hotter and hotter with each new press of his hand to her bottom. Her inner thighs squeezed and released. Her arms were shaking now. Heat and want and pain and need all mixed at a pace that her heart couldnt keep up with. The next strike landed and she cried out. Yes, please, oh God! Her hips trembled. Yorkshire unveils record low rate of 0.89% 7 hours ago LONDON FLATS 0 Yorkshire Building Society has launched a
2-year discount rate mortgage at 0.89% up to 65% loan-to-value. The product comes with a £1,495 fee, though the
society also offers a £995 fee option at 1.05%. James Farrow, senior mortgage manager at Yorkshire Building Society,

said: “We are very pleased to offer borrowers the lowest mortgage rate ever available. “The cost of funding has fallen in recent weeks and as a financially strong building society with no external shareholders to satisfy we have the ability to pass this on to borrowers.” After the 2-year period the mortgage will revert to the lender’s standard variable rate, which is currently 4.74%. Rachel Springall, finance expert at Moneyfacts, said: “It’s fantastic to see such low rates on offer from Yorkshire Building Society and the choice between variable or fixed deal will appeal to different types of borrowers. “Those looking for more flexibility over the shorter term may prefer a discounted deal, but those looking for some security could choose the fixed rate. “In such a low interest rate environment it would be ideal for borrowers to consider overpaying their mortgage. As with any option borrowers would be wise to weigh up the entire package before entering any arrangement.” The post Yorkshire unveils record low rate of 0.89% appeared first on Mortgage Introducer.
