

## College Canings (Omnibus Edition)

Andy Osborne really enjoys his job as Housemaster at St Bonifaces Sixth Form College where he has the great pleasure of punishing the young men who so frequently misbehave. In these five complete, highly erotic stories for over 18s only, he deals with five very regretful young men, who are going to discover the very painful consequences of bad behaviour. Lateness, rudeness, lewd graffiti, truancy, lies and stealing are all painfully dealt with by Mr Osbornes expertly applied corporal punishments. They wont be sitting down for the rest of the day after his prolonged spankings followed by the whippy cane. Wow does that cane sting! And Andy Osborne knows just where on a young mans bottom to apply the strokes to make them sting the most. The sixth formers are all over 18, and as grown men they greatly benefit from the hard corporal punishment Andy administers regularly to their bare bottoms. This embarrassing and humiliating aspect is often more of an ordeal for the young men to endure than the excruciating pain of one of Mr Osbornes spankings or hard canings. They really dread the exposure of their most private parts possibly more than the fiercely smarting buttocks they always have when they leave his study. This special Omnibus Edition contains the complete:- Touch Your Toes, Struthers! This Will Really HURT, Jameson! Bend Over, Harris! A Sore Bum for You, Edwards! Hold Out Your Hand, Taylor! Enjoy them all together right now.

Yorkshire unveils record low rate of 0.89% 7 hours ago LONDON FLATS 0 Yorkshire Building Society has launched a  
2-year discount rate mortgage at 0.89% up to 65% loan-to-value. The product comes with a £1,495 fee, though the  
society also offers a £995 fee option at 1.05%. James Farrow, senior mortgage manager at Yorkshire Building Society,  
said: “We are very pleased to offer borrowers the lowest mortgage rate ever available. “The cost of funding has fallen in  
recent weeks and as a financially strong building society with no external shareholders to satisfy we have the ability to  
pass this on to borrowers.” After the 2-year period the mortgage will revert to the lender’s standard variable rate, which

is currently 4.74%. Rachel Springall, finance expert at Moneyfacts, said: "It's fantastic to see such low rates on offer from Yorkshire Building Society and the choice between variable or fixed deal will appeal to different types of borrowers. "Those looking for more flexibility over the shorter term may prefer a discounted deal, but those looking for some security could choose the fixed rate. "In such a low interest rate environment it would be ideal for borrowers to consider overpaying their mortgage. As with any option borrowers would be wise to weigh up the entire package before entering any arrangement." The post Yorkshire unveils record low rate of 0.89% appeared first on Mortgage Introducer.
