

Philomene (French Edition)

Philomene est un roman du poete, romancier et auteur dramatique francais Andre Theuriét (1833 - 1907). Ce livre comporte une table des matieres dynamique. Il est parfaitement mis en page pour une lecture sur liseuse electronique.

Extrait : Notre voiture descendait rapidement la rampe de Talloires. Arrive au Vivier, le cocher mit son cheval au pas pour le laisser souffler, de sorte que nous pumes examiner a loisir le paysage matinal. La route creusee dans le roc courait, blanche, au long du lac dAnnecy en doublant la pointe ou se dresse la chapelle abandonnee de la Madeleine. A droite, la nappe glauque du lac, que le vent ridait legerement, setendait jusqu'a la bordure des vignobles qui forment la premiere assise des montagnes dEntrevernes. De longs nuages errants, coupant les sommets par le milieu, ne laissaient voir que la base verdoyante et la cime ensoleillee. Au fond, les bois de sapins de la gorge de Doussard, a demi noyes dans une vapeur bleu fonce, faisaient mieux valoir encore lazur clair de leau sur laquelle la presquile dAngon decoupait les dentelures de ses peupliers. A notre gauche, une paroi de rochers surplombait au-dessus de la route et, parmi les broussailles qui en tapissaient la crete, on distinguait un sentier de chevre, serpentant sur la corniche, a une trentaine de metres. Cest ici, dis-je a mon compagnon, qu'a l'epoque ou Henri IV envahit la Savoie, il arriva malheur aux equipages de M. de Lesdiguieres. Il faisait nuit noire ; les mulets qui portaient la vaisselle plate du connetable perdirent pied et degingolerent dans le lac. Toute la massive argenterie du duc est encore aujourd'hui au fond de leau

Breaking News Ongoing skepticism over the impact of brexit suggests that rental growth in prime central London
Yorkshire unveils record low rate of 0.89% 7 hours ago LONDON FLATS 0 Yorkshire Building Society has launched a
2-year discount rate mortgage at 0.89% up to 65% loan-to-value. The product comes with a £1,495 fee, though the

society also offers a £995 fee option at 1.05%. James Farrow, senior mortgage manager at Yorkshire Building Society, said: "We are very pleased to offer borrowers the lowest mortgage rate ever available. "The cost of funding has fallen in recent weeks and as a financially strong building society with no external shareholders to satisfy we have the ability to pass this on to borrowers." After the 2-year period the mortgage will revert to the lender's standard variable rate, which is currently 4.74%. Rachel Springall, finance expert at Moneyfacts, said: "It's fantastic to see such low rates on offer from Yorkshire Building Society and the choice between variable or fixed deal will appeal to different types of borrowers. "Those looking for more flexibility over the shorter term may prefer a discounted deal, but those looking for some security could choose the fixed rate. "In such a low interest rate environment it would be ideal for borrowers to consider overpaying their mortgage. As with any option borrowers would be wise to weigh up the entire package before entering any arrangement." The post Yorkshire unveils record low rate of 0.89% appeared first on Mortgage Introducer.
