

Hide Her Name (The Four Streets Trilogy)

In the Four Streets in Liverpool, a dreadful murder has been committed, and 14-year-old Kitty Doherty is pregnant with the dead man's child. This secret is so dangerous that her mother, Maura, and the redoubtable Kathleen, her best friend Nellie's grandmother, decide the girls must be spirited away quietly to Ireland to await the birth of the baby. But back in Liverpool, the police are not giving up their search for the truth. Somewhere, in this tight-knit Irish Catholic community, someone must know something. Someone surely will talk one day. The streets are alive with gossip and rumour and it isn't easy to keep a secret that big. **HIDE HER NAME** is the gripping sequel to Nadine Dorries' first bestseller, **THE FOUR STREETS**, shot through with darkness, but also filled with humour, warmth and charm.

Breaking News Ongoing skepticism over the impact of brexit suggests that rental growth in prime central London Yorkshire unveils record low rate of 0.89% 7 hours ago LONDON FLATS 0 Yorkshire Building Society has launched a 2-year discount rate mortgage at 0.89% up to 65% loan-to-value. The product comes with a £1,495 fee, though the society also offers a £995 fee option at 1.05%. James Farrow, senior mortgage manager at Yorkshire Building Society, said: "We are very pleased to offer borrowers the lowest mortgage rate ever available. "The cost of funding has fallen in recent weeks and as a financially strong building society with no external shareholders to satisfy we have the ability to pass this on to borrowers." After the 2-year period the mortgage will revert to the lender's standard variable rate, which is currently 4.74%. Rachel Springall, finance expert at Moneyfacts, said: "It's fantastic to see such low rates on offer from Yorkshire Building Society and the choice between variable or fixed deal will appeal to different types of borrowers. "Those looking for more flexibility over the shorter term may prefer a discounted deal, but those looking for some security could choose the fixed rate. "In such a low interest rate environment it would be ideal for borrowers to consider overpaying their mortgage. As with any option borrowers would be wise to weigh up the entire package before entering any arrangement." The post Yorkshire unveils record low rate of 0.89% appeared first on Mortgage Introducer.
