Sometimes forever finds you Love isnt easy to forget, even when youre determined to never feel it again. It has a way of finding you, resurfacing raw emotions youve buried deep inside. Carson Bradley is the CEO of Bradley Pharmaceutical Corporation, a powerful and influential multi-billion dollar drug empire. His wealth stretches beyond anyones imagination, but its of no use to his lonely soul, which has been dormant with the death of his first love to cancer. He strives every day for the sake of his research because hes determined to eradicate that vile disease forever. Lillian Ly is a humble, young medical student whose compassion for people is boundless. Being raised poor by a single parent, she matured quickly and respects the sacrifices her mother has made for her. Lillians determination leads her down a stringent five-year path with no room for love. When a tropical storm forces their paths to cross at an unlikely place thousands of miles away from home, they both realize love isnt a matter of choice or determination love is powerful and irrepressible, especially between two kind-hearted people with a common interest in healing the world. Carson is familiar with desolation fifteen years to be exact. With Lillian by his side, he will never return to that dark place again even if it means dragging her through his ugly past and into his dangerous world of pharmaceutical rivalries. Lillians uncomplicated life will soon be a distant memory as she willingly follows her heart to be with the only man shes ever loved. Together, they will endure any obstacle to hold on to their forever. Book 2: Finding Our Forever
When tragedy strikes, it doesnt always signal the end. Sometimes it

can mean a new beginning... Still reeling from the events of the past culminating in her devastating loss, an emotionally scarred Lillian Ly is determined to follow her heart and temporarily forego a bright academic career to keep alive the only thing that matters, being with the man she loves. Guilt pours over Carson Bradley like molten lava, but despite his shame, he cannot let her go. She is the flame to his fire, the soul of his heart. Without Lillian by his side, he is just a body without a live pulse. Now with news of two missing researchers, whose survival is based on a drug formula he is unable to deliver, he fears the kidnappers will stop at nothing to get what they want ensuring Lillians life is also in danger. Desperate to obtain the missing drug components and keep Lillian safe, Carsons unreasonable behavior combined with Lillians strong-defensive will - collide - threatening their future. Lillian knows she loves him irrevocably, but can she survive in Carsons volatile world? Book 3: Ending with Forever If your love for someone is greater than your own life, what would you sacrifice to keep her safe? The world and everything youve worked all of your life to procure? Fatefully for Carson, his rivals have discovered his only weakness Lillian Ly, the owner of his heart. The power behind his new cancer drug is what they seek and will stop at nothing to acquire it. If necessary, kidnapping and murder are just the means to an end. How desperate would he be if she falls into their greedy hands? Carson can no longer shield Lillian from the ugly secrets of his ruthless pharmaceutical world. His dominance and vigilance are what keeps her safe. Can he convince her of this or will her tenacity be her downfall? With all the obstacles in their path, the journey to their happily forever will be a trying one. Will their love get them to the end? Yorkshire unveils record low rate of 0.89% 7 hours ago LONDON FLATS 0 Yorkshire Building Society has launched a 2-year discount rate mortgage at 0.89% up to 65% loan-to-value. The product comes with a £1,495 fee, though the society also offers a £995 fee option at 1.05%. James Farrow, senior mortgage manager at Yorkshire Building Society, said: "We are very pleased to offer borrowers the lowest mortgage rate ever available. "The cost of funding has fallen in recent weeks and as a financially strong building society with no external shareholders to satisfy we have the ability to pass this on to borrowers." After the 2-year period the mortgage will revert to the lender's standard variable rate, which is currently 4.74%. Rachel Springall, finance expert at Moneyfacts, said: "It's fantastic to see such low rates on offer from Yorkshire Building Society and the choice between variable or fixed deal will appeal to different types of borrowers. "Those looking for more flexibility over the shorter term may prefer a discounted deal, but those looking for some security could choose the fixed rate. "In such a low interest rate environment it would be ideal for borrowers to consider overpaying their mortgage. As with any option borrowers would be wise to weigh up the entire package before entering any arrangement." The post Yorkshire unveils record low rate of 0.89% appeared first on Mortgage Introducer.
