

Après la bataille (French Edition)

On se battait encore, très loin maintenant, sur l'autre versant du plateau, à deux ou trois lieues. Le jour touchait à sa fin, sans que la canonnade se ralentit. Un brouillard glacial se levait du fond de la vallée voisine assourdissant les coups. Un fantassin français se traînait sur la grande route départementale, seul, blessé au pied gauche. Une balle lui avait labouré le talon, heureusement sans fracturer l'os, et elle était ressortie. Obligé d'arracher son soulier, il avait pansé la plaie comme il avait pu, avec un pan de sa chemise déchiré en bandes. Il avançait très lentement, se servant de son fusil comme d'une canne, appuyant le moins possible son pied malade contre le sol durci et rendu glissant par la gelée. Les linges du pansement étaient tout rouges, imbibés de sang comme une éponge.

Breaking News Ongoing skepticism over the impact of Brexit suggests that rental growth in prime central London
Yorkshire unveils record low rate of 0.89% 7 hours ago LONDON FLATS 0 Yorkshire Building Society has launched a
2-year discount rate mortgage at 0.89% up to 65% loan-to-value. The product comes with a £1,495 fee, though the
society also offers a £995 fee option at 1.05%. James Farrow, senior mortgage manager at Yorkshire Building Society,
said: "We are very pleased to offer borrowers the lowest mortgage rate ever available. "The cost of funding has fallen in
recent weeks and as a financially strong building society with no external shareholders to satisfy we have the ability to
pass this on to borrowers." After the 2-year period the mortgage will revert to the lender's standard variable rate, which
is currently 4.74%. Rachel Springall, finance expert at Moneyfacts, said: "It's fantastic to see such low rates on offer
from Yorkshire Building Society and the choice between variable or fixed deal will appeal to different types of
borrowers. "Those looking for more flexibility over the shorter term may prefer a discounted deal, but those looking for
some security could choose the fixed rate. "In such a low interest rate environment it would be ideal for borrowers to
consider overpaying their mortgage. As with any option borrowers would be wise to weigh up the entire package before
entering any arrangement." The post Yorkshire unveils record low rate of 0.89% appeared first on Mortgage Introducer.
