

## Viaje al oeste / Journey to the West: Las aventuras del rey mono / The Adventures of Monkey King (Spanish Edition)

Viaje al Oeste recoge los avatares del monje Chen Hsuan-Tsang (Tripitaka) en su largo peregrinaje a la India en busca de escrituras budistas. Con su brillante estilo literario, se acabara desplazando al monje viajero y confiando el peso de la accion a sus tres discipulos, antiguos inmortales caidos en desgracia, que se veran obligados a sortear peligros y monstruos, cada vez mas poderosos y crueles, que se oponen a su proposito de alcanzar la Montana del Espiritu, donde en recompensa a su fidelidad seran elevados a la categoria de budas. Su aventura se convierte en un autentico viaje interior, en el que las visiones budista y taoista de la realidad juegan un papel esencial, apreciable incluso en la estructura de la obra. La presente traduccion, directa del chino, es una de las escasisimas de la obra completa en una lengua occidental desde su aparicion en 1592.

Breaking News Ongoing skepticism over the impact of brexit suggests that rental growth in prime central London Yorkshire unveils record low rate of 0.89% 7 hours ago LONDON FLATS 0 Yorkshire Building Society has launched a 2-year discount rate mortgage at 0.89% up to 65% loan-to-value. The product comes with a £1,495 fee, though the society also offers a £995 fee option at 1.05%. James Farrow, senior mortgage manager at Yorkshire Building Society, said: “We are very pleased to offer borrowers the lowest mortgage rate ever available. “The cost of funding has fallen in recent weeks and as a financially strong building society with no external shareholders to satisfy we have the ability to pass this on to borrowers.” After the 2-year period the mortgage will revert to the lender’s standard variable rate, which is currently 4.74%. Rachel Springall, finance expert at Moneyfacts, said: “It’s fantastic to see such low rates on offer from Yorkshire Building Society and the choice between variable or fixed deal will appeal to different types of borrowers. “Those looking for more flexibility over the shorter term may prefer a discounted deal, but those looking for some security could choose the fixed rate. “In such a low interest rate environment it would be ideal for borrowers to consider overpaying their mortgage. As with any option borrowers would be wise to weigh up the entire package before entering any arrangement.” The post Yorkshire unveils record low rate of 0.89% appeared first on Mortgage Introducer.
