

## Bound by Lies (The Manse)

Brayden Clare never wanted to return to small town life. Blond, athletic, and struggling with his sexual identity, a casual relationship on the beach in Florida suits him much better. When a family emergency calls him home, he is forced to trade his personal freedom for a job as a bartender in a town where everybody thinks they know who he is, and nobody has a clue including Brayden. Jenner Parrish is the owner and operator of Parrish Pub, the social hub of Robertsville, Pennsylvania. Jenner is charming, dominant, and popular since they were both in high school together. Brayden finds his new boss intimidating, and is daunted to find that turns him on. Jenner finds his new recruit intriguing but mustnt dare to ask an employee to submit to him. The two men find what theyre seeking at a masked BDSM ball in the next town over, and are startled to discover their desires rest much, much closer to home. (M/M)

Yorkshire unveils record low rate of 0.89% 7 hours ago LONDON FLATS 0 Yorkshire Building Society has launched a  
2-year discount rate mortgage at 0.89% up to 65% loan-to-value. The product comes with a £1,495 fee, though the  
society also offers a £995 fee option at 1.05%. James Farrow, senior mortgage manager at Yorkshire Building Society,  
said: “We are very pleased to offer borrowers the lowest mortgage rate ever available. “The cost of funding has fallen in  
recent weeks and as a financially strong building society with no external shareholders to satisfy we have the ability to  
pass this on to borrowers.” After the 2-year period the mortgage will revert to the lender’s standard variable rate, which  
is currently 4.74%. Rachel Springall, finance expert at Moneyfacts, said: “It’s fantastic to see such low rates on offer  
from Yorkshire Building Society and the choice between variable or fixed deal will appeal to different types of  
borrowers. “Those looking for more flexibility over the shorter term may prefer a discounted deal, but those looking for  
some security could choose the fixed rate. “In such a low interest rate environment it would be ideal for borrowers to  
consider overpaying their mortgage. As with any option borrowers would be wise to weigh up the entire package before  
entering any arrangement.” The post Yorkshire unveils record low rate of 0.89% appeared first on Mortgage Introducer.
