

The Oracle Dai Bando

Its this book, right, about me, Dai Bando. Okay, okay. And Tiddles and the rest of the boys, and what we got up to back... Bloody hell, was it really that long ago, mun? Time flies when youre having a bun, isnt it. Anyhow, we all come together at agricultural college. First time down from their home farms in the Welsh mountains for most of the boys. Seventeen or eighteen years old, sheep shit on their boots, bum fluff on their chins, and dying to get laid. Mind, me and the boys wasnt your typical Farmer Giles types, not Oo-Ar-Boskins, like. We was cool. Welsh, see, which is a good start, right? Up to the minute with the fashions and that. Duw, we took the piss merciless out of the Tractor Men. But we saved the worst of it for the English. Tell them about the boys? Well, alright. There was Steggy, Mr Super-Cool; good-looking, half-Russian client whose dad ran away from Stalin. Fair idea, if you ask me, even if he did end up in Maesteg. There was JT from Cardiff who didnt have two brains to rub together. Made up for it with the energy he put into getting his end away, mind. We had Will Mouth who was mad about cars, and just mad. His single-track mind was permanently in the fast lane - going backwards. Johnny Jones was one of us too. That boy had everything to learn but not enough time; just a kid really. We had Brain Bosk, our only Hayseed - and our only Englishman! Sharp bugger under that grass chewing exterior though, when I come to think. Then there was Tiddles. And then there was me. Me, Id been to college before, knew the ropes. Kicked out the first time on account of... What? Save that bit, he says, loose lips sink ships. So, where was I? Oh aye. It was a small college in South Wales and the rules and regulations, not to mention the staff, was prehistoric. I dunno why I went back. Nothing else to do I suppose. That and the death threats from dear old dad. Being a bit older, the rest of the boys sort of turn to me

for guidance. Well, couldnt let them down, could I? So I teach them all I know - and thats quite a bit - about how to have a good time and drink like fish; two things which go hand in underpants if you ask me. And I teach them all about the fair sex - who definitely arent, by the way. At college they tried to keep the sexes apart. Separate hostels and no visiting on pain of death by self-abuse. Anyone could have told them they was flogging a dead horse. A load of randy farm lads with their brains in their trousers and all those hot young women! What did they expect? Duw, there was some fine women, though, women whod blow your socks off, mun. Sian Davis, Big Sheila, Pam Kelly from Australia, Rhiannon. Oh aye, gave as good as they got, that lot. Better. Me and Tiddles had a thing going with this French girl, Chantelle. Tidy little arrangement - bit unusual I suppose, looking back - until he goes and falls in love with Leonora Bloody Newton. Boy was twp; wouldnt listen to his Uncle Dai. Anyhow, I teaches the boys how to play the game of life and come out of the scrum still wearing your teeth. I give them a bit of the old Bando philosophy, and they lap it up. Mention what? Righto. He says its a kind of rights of passage novel. Rites? Oh right, rites. I dunno where he gets all this stuff from. Me, I reckon its about drinking and fighting and partying and driving fast and living hard and... Oh aye, plenty of sex. Selling point that is, he says. Look, Tosh, whos doing this anyway? Thats better, you shut up and leave it to Dai Bando....

Yorkshire unveils record low rate of 0.89% 7 hours ago LONDON FLATS 0 Yorkshire Building Society has launched a
2-year discount rate mortgage at 0.89% up to 65% loan-to-value. The product comes with a £1,495 fee, though the
society also offers a £995 fee option at 1.05%. James Farrow, senior mortgage manager at Yorkshire Building Society,
said: “We are very pleased to offer borrowers the lowest mortgage rate ever available. “The cost of funding has fallen in
recent weeks and as a financially strong building society with no external shareholders to satisfy we have the ability to
pass this on to borrowers.” After the 2-year period the mortgage will revert to the lender’s standard variable rate, which
is currently 4.74%. Rachel Springall, finance expert at Moneyfacts, said: “It’s fantastic to see such low rates on offer
from Yorkshire Building Society and the choice between variable or fixed deal will appeal to different types of
borrowers. “Those looking for more flexibility over the shorter term may prefer a discounted deal, but those looking for

some security could choose the fixed rate. “In such a low interest rate environment it would be ideal for borrowers to consider overpaying their mortgage. As with any option borrowers would be wise to weigh up the entire package before entering any arrangement.” The post Yorkshire unveils record low rate of 0.89% appeared first on Mortgage Introducer.
