Click Look Inside for a more explicit look into this 16800+ word short story of Gender Swap, Transformation, Futas, and experimentation in new bodies. Swaped and Transformed - Futa City A beautiful sunset lingered on, transforming into a dark red mist that enveloped the town. The towns inhabitants watched in awe, breathing in the relaxing fog. The next morning, strange things began happening. Men awoke as women, marveling at their enormous chests and smooth toned bodies. Women awoke with all of their existing parts intact, but found a new enormous member dangling between their legs. Treya awoke as the latter and spends the morning experimenting with her new tool. Once comfortable with the functions of her new body, she ventures from her apartment to seek both answers and new pleasures. Swaped and Transformed - Futa City 2 Day after day, the towns inhabitants grow increasingly uninhibited. They are no longer concerned with work or sustenance. Streets and shops are filled with women who were once men and futas who were once women. They take each other both in public and private, whatever their urges direct them to do. Treya is forced to balance her urges with her desire to find answers. With a monstrous tool hidden beneath her skirt, Treya encounters a former neighbor twice over the course of a few weeks. Once when he returns from a business trip and is the only man left who is actually a man. She then encounters him again, however he now has a large chest and an irresistible womanly urges to take Treyas member. Swaped and Transformed - Futa City 3 Treya has ventured to a new town, searching for food and shops not closed due to its proprietors being busy taking one another. With a full stomach and restful nights sleep, Treya is ready to find what she is looking for. However the residents of this new town are already taking an interest in Treya and the colossal

tool hanging between her legs. Unable to resist her own urges, Treya takes the hotel maid when she seduces the futa woman. Once she had seeded a woman of her own, a new transformation takes over Treya. She becomes what she had sought, generating the blood red mist that had taken over her own town weeks ago. While ushering in a new age of inhibition to her new town, Treya prepares three men for what to expect once they are no longer men and have the cravings of a gender swapped woman.

Yorkshire unveils record low rate of 0.89% 7 hours ago LONDON FLATS 0 Yorkshire Building Society has launched a  
2-year discount rate mortgage at 0.89% up to 65% loan-to-value. The product comes with a £1,495 fee, though the  
society also offers a £995 fee option at 1.05%. James Farrow, senior mortgage manager at Yorkshire Building Society,  
said: “We are very pleased to offer borrowers the lowest mortgage rate ever available. “The cost of funding has fallen in  
recent weeks and as a financially strong building society with no external shareholders to satisfy we have the ability to  
pass this on to borrowers.” After the 2-year period the mortgage will revert to the lender’s standard variable rate, which  
is currently 4.74%. Rachel Springall, finance expert at Moneyfacts, said: “It’s fantastic to see such low rates on offer  
from Yorkshire Building Society and the choice between variable or fixed deal will appeal to different types of  
borrowers. “Those looking for more flexibility over the shorter term may prefer a discounted deal, but those looking for  
some security could choose the fixed rate. “In such a low interest rate environment it would be ideal for borrowers to  
consider overpaying their mortgage. As with any option borrowers would be wise to weigh up the entire package before  
entering any arrangement.” The post Yorkshire unveils record low rate of 0.89% appeared first on Mortgage Introducer.
