

Sinceres Ways

Unlike many african american women growing up in the south of Georgia, Sincere Sunshine Simmons was born into a wealthy family. Sincere lives in the finest homes, rides in her flashy cars and wears the best designer clothes; but being born with a silver spoon in your mouth isn't always what it seems. Life can still give you lemons; it's up to you to make lemonade and realize after every storm there's a rainbow. Come walk a mile in Sincere Simmons shoes. SINCERES WAYS will make you laugh, cry, smile, jump and close the book wanting more as you read about the many twists and turns her life spirals out of control in many ways.

Yorkshire unveils record low rate of 0.89% 7 hours ago LONDON FLATS 0 Yorkshire Building Society has launched a
2-year discount rate mortgage at 0.89% up to 65% loan-to-value. The product comes with a £1,495 fee, though the
society also offers a £995 fee option at 1.05%. James Farrow, senior mortgage manager at Yorkshire Building Society,
said: "We are very pleased to offer borrowers the lowest mortgage rate ever available. "The cost of funding has fallen in
recent weeks and as a financially strong building society with no external shareholders to satisfy we have the ability to
pass this on to borrowers." After the 2-year period the mortgage will revert to the lender's standard variable rate, which
is currently 4.74%. Rachel Springall, finance expert at Moneyfacts, said: "It's fantastic to see such low rates on offer
from Yorkshire Building Society and the choice between variable or fixed deal will appeal to different types of
borrowers. "Those looking for more flexibility over the shorter term may prefer a discounted deal, but those looking for
some security could choose the fixed rate. "In such a low interest rate environment it would be ideal for borrowers to
consider overpaying their mortgage. As with any option borrowers would be wise to weigh up the entire package before
entering any arrangement." The post Yorkshire unveils record low rate of 0.89% appeared first on Mortgage Introducer.
