

All Things Irish: A Novel

Do bad things really happen to us for a good reason? Escape into the ALL THINGS IRISH shop in Door County, Wisconsin and laugh exploring why--as you indulge in outrageous Irishness, friendships as thick as Aran sweaters, and a quirky Wisconsin fishing village of diehard Scandinavians that wants to run the shop out of town. Meg McKenna spent the last decade avoiding her crazy mother's shamrock-shaped world of Celtic witchery and bad Irish luck that brought nothing but heartbreak. But when locals threaten to put her mother's newly opened Irish shop out of business, the prodigal daughter returns, attracting unexpected surprises, laughter, friendship, romance, and more bad Irish luck--which her mother swears is a good thing.

Yorkshire unveils record low rate of 0.89% 7 hours ago LONDON FLATS 0 Yorkshire Building Society has launched a
2-year discount rate mortgage at 0.89% up to 65% loan-to-value. The product comes with a £1,495 fee, though the
society also offers a £995 fee option at 1.05%. James Farrow, senior mortgage manager at Yorkshire Building Society,
said: "We are very pleased to offer borrowers the lowest mortgage rate ever available. "The cost of funding has fallen in
recent weeks and as a financially strong building society with no external shareholders to satisfy we have the ability to
pass this on to borrowers." After the 2-year period the mortgage will revert to the lender's standard variable rate, which
is currently 4.74%. Rachel Springall, finance expert at Moneyfacts, said: "It's fantastic to see such low rates on offer
from Yorkshire Building Society and the choice between variable or fixed deal will appeal to different types of
borrowers. "Those looking for more flexibility over the shorter term may prefer a discounted deal, but those looking for
some security could choose the fixed rate. "In such a low interest rate environment it would be ideal for borrowers to
consider overpaying their mortgage. As with any option borrowers would be wise to weigh up the entire package before
entering any arrangement." The post Yorkshire unveils record low rate of 0.89% appeared first on Mortgage Introducer.
