Ce livre comporte une table des matieres dynamique, a ete relu et corrige. Il est parfaitement mis en page pour une lecture sur liseuse electronique. Extrait : Ce que je dois dire tout dabord, cest comment jai appris a ecrire. Cela marriva cependant assez tard dans ma longue vie, mais il me faut lexpliquer en commençant, car il parait que vous, les hommes, qui enseignez tant de travaux a ceux de ma race, navez pas coutume de leur faire faire leurs classes, et un elephant capable de lire et decrire est un phenomene assez rare pour etre incroyable. Je dis rare, car jai entendu affirmer que mon cas nest pas unique. Pendant ma longue frequentation des hommes, jetais parvenu a comprendre beaucoup de leurs paroles, je savais meme plusieurs langues : le siamois, lhindoustani et un peu danglais. Jaurais pu parler, je my essayais quelquefois ; mais je ne produisais que des sons extraordinaires qui faisaient rire mes maitres et epouvantaient les elephants, mes compagnons, quand il leur etait donne de mentendre, car cela ne ressemblait pas plus a leur langage que, parait-il, a celui des hommes. Javais pres de soixante ans, ce qui est la fleur de la jeunesse pour nous, lorsque le hasard me permit dapprendre a tracer des lettres et a ecrire des mots que je ne parvenais pas a prononcer. Lenclos qui metait reserve, dans le palais de Golconde, et ou jetais absolument libre, etait borne dune cote par un mur de briques emaillees, bleues et vertes, assez haut, mais qui marrivait juste a laisselle ; je pouvais donc, si cela mamusait, regarder par-dessus le mur tout a mon aise....

Yorkshire unveils record low rate of 0.89% 7 hours ago LONDON FLATS 0 Yorkshire Building Society has launched a  
2-year discount rate mortgage at 0.89% up to 65% loan-to-value. The product comes with a £1,495 fee, though the  
society also offers a £995 fee option at 1.05%. James Farrow, senior mortgage manager at Yorkshire Building Society,  
said: "We are very pleased to offer borrowers the lowest mortgage rate ever available. "The cost of funding has fallen in  
recent weeks and as a financially strong building society with no external shareholders to satisfy we have the ability to

pass this on to borrowers.” After the 2-year period the mortgage will revert to the lender’s standard variable rate, which is currently 4.74%. Rachel Springall, finance expert at Moneyfacts, said: “It’s fantastic to see such low rates on offer from Yorkshire Building Society and the choice between variable or fixed deal will appeal to different types of borrowers. “Those looking for more flexibility over the shorter term may prefer a discounted deal, but those looking for some security could choose the fixed rate. “In such a low interest rate environment it would be ideal for borrowers to consider overpaying their mortgage. As with any option borrowers would be wise to weigh up the entire package before entering any arrangement.” The post Yorkshire unveils record low rate of 0.89% appeared first on Mortgage Introducer.
