

## Taken in the Hot Tub (Husband Turned Gay)(First Gay Experience, Straight to Gay erotica)

When Mike threw a summer pool party in his backyard, he had no idea a hot, gay stud would change his life. Mike is married and straight, but he cant get the hunky Lars or the bulge in the hunks speedo out of his mind. Mike has never had a gay thought before, but there is something primal about the younger man. Scared of these new fillings swelling his swimming trunks, Mike tries to fight his urges. But as the night winds down and Mike finds himself with Lars in a hot tub, he is no longer sure he wants to fight against his desires and give in to Larss seduction. Surrendering to his new desires, Mike lets a gay man show him pleasures he never experienced with his wife! Taken in the Hot Tub is a 5200 word first time gay, straight to gay, cheating erotica! Join Mike as he experiments with a hunky stud!

Breaking News Ongoing skepticism over the impact of brexit suggests that rental growth in prime central London  
Yorkshire unveils record low rate of 0.89% 7 hours ago LONDON FLATS 0 Yorkshire Building Society has launched a  
2-year discount rate mortgage at 0.89% up to 65% loan-to-value. The product comes with a £1,495 fee, though the  
society also offers a £995 fee option at 1.05%. James Farrow, senior mortgage manager at Yorkshire Building Society,  
said: “We are very pleased to offer borrowers the lowest mortgage rate ever available. “The cost of funding has fallen in  
recent weeks and as a financially strong building society with no external shareholders to satisfy we have the ability to  
pass this on to borrowers.” After the 2-year period the mortgage will revert to the lender’s standard variable rate, which  
is currently 4.74%. Rachel Springall, finance expert at Moneyfacts, said: “It’s fantastic to see such low rates on offer  
from Yorkshire Building Society and the choice between variable or fixed deal will appeal to different types of  
borrowers. “Those looking for more flexibility over the shorter term may prefer a discounted deal, but those looking for  
some security could choose the fixed rate. “In such a low interest rate environment it would be ideal for borrowers to  
consider overpaying their mortgage. As with any option borrowers would be wise to weigh up the entire package before  
entering any arrangement.” The post Yorkshire unveils record low rate of 0.89% appeared first on Mortgage Introducer.
