

Marys Addiction

Donald and Mary Clauston are a rich, white couple. They own a lovely mansion in Sherman Oaks, and three lovely kids, and they're both happy with each other. Or are they? Their life takes a drastic turn one Friday night. Three black hoodlums take advantage of Mary while her husband Donald is forced to watch. To Donald's shocking surprise, Mary seems to enjoy the activity and becomes smitten by the hoodlums. Now Donald has to contend with how best to deal with his wife's new-found life, as cracks begin to appear in their marital life, revealing secrets that once were best-kept secrets. Will they resolve their past differences before it rips their marriage apart?

Yorkshire unveils record low rate of 0.89% 7 hours ago LONDON FLATS 0 Yorkshire Building Society has launched a
2-year discount rate mortgage at 0.89% up to 65% loan-to-value. The product comes with a £1,495 fee, though the
society also offers a £995 fee option at 1.05%. James Farrow, senior mortgage manager at Yorkshire Building Society,
said: "We are very pleased to offer borrowers the lowest mortgage rate ever available. "The cost of funding has fallen in
recent weeks and as a financially strong building society with no external shareholders to satisfy we have the ability to
pass this on to borrowers." After the 2-year period the mortgage will revert to the lender's standard variable rate, which
is currently 4.74%. Rachel Springall, finance expert at Moneyfacts, said: "It's fantastic to see such low rates on offer
from Yorkshire Building Society and the choice between variable or fixed deal will appeal to different types of
borrowers. "Those looking for more flexibility over the shorter term may prefer a discounted deal, but those looking for
some security could choose the fixed rate. "In such a low interest rate environment it would be ideal for borrowers to
consider overpaying their mortgage. As with any option borrowers would be wise to weigh up the entire package before
entering any arrangement." The post Yorkshire unveils record low rate of 0.89% appeared first on Mortgage Introducer.
