

Tabla de sah: Versuri (Romanian Edition)

THE CHESSBOARD. POEMS This volume of poems is in Romanian. Veronica Stanei Macoveanus poetry has philosophical implications, promoting the best values of humanity, as seen and felt in the world today. The present volume concentrates on love as the pivotal force of the Universe and mans best guide to, and instrument of, self-fulfillment. In prefata primului sau volum, acad. prof. dr. doc. Zoe Dumitrescu-Busulenga spune: Izvorate dintr-o sete neistovita, o sete enorma de cunoastere, de absorbire, de contopire cu lumea in toate ipostazele ei, strigatele (caci nu le putem numi simplu, versurile) tinerei poete au in ele o putere de elemente dezlantuite. Durere, durere din prea multa iubire, sfasiere din prea mare dorinta de unitate, asa se infatiseaza prima expresie lirica a Veronicai Stanei. Fara simulatie, caci asta se simte din suprafireasca tensiune a cuvantului, sufletul tanar traieste cu o rara forta starile conditiei umane. Este, fara niciun fel de indoiala, punct in univere, punct arzand, punct vazand, punct, centru al meu, fara centru, desfiintat, curgand, fiind in explozii ale timpului, pentru clipa singura clipa in care traiesc, clipa a nasterii, clipa dorita, clipa cand sunt cer, cand sunt apa, cand sunt pamant, cand sunt tot, clipa a mistuirii din nou in punct, nestiut, umil punct. O traire de mutatii, autentica, de la neant la existenta, de la existenta la neant, ca ale unei pasari Phoenix, nu poate fi etichetata, nici judecata critic. Nu pot spune decat ca ne aflam, probabil, confruntati cu o putere nebanuita de creatie poetica. Operele ulterioare ale Veronica Stanei Macoveanu ii dau dreptate Doamnei Zoe Dumitrescu-Busulenga, forta de creatie a poetei concretizandu-se de-a lungul anilor in capodopere lirice de mare frumusete. Veronica Stanei Macoveanu scrie o poezie grava, cu implicatii filozofice, in care gandirea robusta, ponderat optimista a autoarei se impleteste cu sentimentele sale

de iubire, grija si ocrotire fata de oameni, cu respectul fata de solemnitatea trecerii fapturii umane prin Univers si ingrijorarea in fata dificultatilor si presiunilor acestei treceri. Pe Tabla de Sah a lumii intregi, noi, piesele animate prin mecanisme nevazute, avem marile daruri ale iubirii, iertarii si liberului arbitru, care ne sunt hrana sufleteasca, arme, unelte si sprijin in nazuinta noastra de implinire spirituala prin cunoastere. Volumul de fata face sa vedem in deplinatatea sa frumusetea launtrica a omului si ne atrage atentia asupra sensurilor profunde ale trecerii acestuia prin Univers. O poezie luminoasa, pozitiva, mangaietoare, care reafirma valorile fundamentale ale umanismului si redefineste liric categoriile acestuia in contextul vietii contemporane. Cititorul nu poate iesi decat profund imbogatit sufleteste din lectura acestei carti, pe care o recomandam din toata inima.

Yorkshire unveils record low rate of 0.89% 7 hours ago LONDON FLATS 0 Yorkshire Building Society has launched a 2-year discount rate mortgage at 0.89% up to 65% loan-to-value. The product comes with a £1,495 fee, though the society also offers a £995 fee option at 1.05%. James Farrow, senior mortgage manager at Yorkshire Building Society, said: "We are very pleased to offer borrowers the lowest mortgage rate ever available. "The cost of funding has fallen in recent weeks and as a financially strong building society with no external shareholders to satisfy we have the ability to pass this on to borrowers." After the 2-year period the mortgage will revert to the lender's standard variable rate, which is currently 4.74%. Rachel Springall, finance expert at Moneyfacts, said: "It's fantastic to see such low rates on offer from Yorkshire Building Society and the choice between variable or fixed deal will appeal to different types of borrowers. "Those looking for more flexibility over the shorter term may prefer a discounted deal, but those looking for some security could choose the fixed rate. "In such a low interest rate environment it would be ideal for borrowers to consider overpaying their mortgage. As with any option borrowers would be wise to weigh up the entire package before entering any arrangement." The post Yorkshire unveils record low rate of 0.89% appeared first on Mortgage Introducer.
