

## The Shamesamson Manor

Step into the mind of writer Bil Romain as he takes you on a magical roller coaster of a ride with more unbelievable characters than you can imagine. Travel with Colin Doremus as he moves from America to Gonnill Ireland. Gonnill is the only spot in all of Ireland where boys and girls own pigs and Irish myth and legend come to life. Get introduced to Mayor Fitzbister and his daughter Dawn, Cratty Garrett, Miss Milly, MaryAnn and Frances and Willie OLoney. Say hi to Jack OCrattey at the post office and Mr. William at the bookstore. Over across from Hoggie park and down from the comic book shop theres the Fitzgibbons butcher store and at the other end is the Aherne Blacksmiths forge. Theres Darkeen Ra his friend Bishop and Teal the talking Magpie. Meet Colins friend Ayala, Colins pet pig Joan and go with them as they explore the marsh and boglands where Jasper, Pug and the others live. Others that just happen to be Miggies, Mites, Sprites, Brownies and a few P! olkas too. There are up and down land Fairies a forest of Dryads and a screaming Banshee. Theres a clan of Fachans, a Boggie or two, Gilly Willies, a flock of Easter Chickens and the rottenest swamp hag youve ever met named Meg. Meg is one of the foulest characters that has ever been written on paper. Meg is green, disgusting, and awful and when she aligns herself with Eann, Ellis and Ott Fitzgibbons, the worst boys in Gonnill, no good can come of it. You will uncover the secret of the Manor at the tip of the hill. An eight hundred year old Manor at the edge of the marsh and boglands. A Manor that Colin moves into when his family inherits it, a Manor with secrets all its own. If you want to truly believe in magic and learn the tale of the simple crown then open the door to the Shamesamson Manor and step inside.

Breaking News Ongoing skepticism over the impact of brexit suggests that rental growth in prime central London  
Yorkshire unveils record low rate of 0.89% 7 hours ago LONDON FLATS 0 Yorkshire Building Society has launched a  
2-year discount rate mortgage at 0.89% up to 65% loan-to-value. The product comes with a £1,495 fee, though the  
society also offers a £995 fee option at 1.05%. James Farrow, senior mortgage manager at Yorkshire Building Society,  
said: “We are very pleased to offer borrowers the lowest mortgage rate ever available. “The cost of funding has fallen in  
recent weeks and as a financially strong building society with no external shareholders to satisfy we have the ability to  
pass this on to borrowers.” After the 2-year period the mortgage will revert to the lender’s standard variable rate, which  
is currently 4.74%. Rachel Springall, finance expert at Moneyfacts, said: “It’s fantastic to see such low rates on offer  
from Yorkshire Building Society and the choice between variable or fixed deal will appeal to different types of  
borrowers. “Those looking for more flexibility over the shorter term may prefer a discounted deal, but those looking for  
some security could choose the fixed rate. “In such a low interest rate environment it would be ideal for borrowers to  
consider overpaying their mortgage. As with any option borrowers would be wise to weigh up the entire package before  
entering any arrangement.” The post Yorkshire unveils record low rate of 0.89% appeared first on Mortgage Introducer.
