

## Broken Innocence (Alpha Billionaire Series Book 1)

Book one of Bridget Taylor's Alpha Billionaire Series!...Broken Innocence will take you to the powerful world (full of BDSM fantasies) of Henry Lennox where he takes away the innocence of the cute Stacey. Henry Lennox is a powerful man with unique tastes. He sits atop a media empire that he has built from the ground up. Surrounded by only the most beautiful and talented of women, he enjoys both success and excess. Stacy Caldwell is nervous as she begins her first day at Lennox Advertising. She notices immediately that she does not exactly fit in with this stable of model-attractive young women. When she somehow attracts the notice of Henry Lennox, she is unsure how to respond. She can hardly resist his appeal, in spite of herself. What happens when their affair draws unwanted controversy? Broken Innocence is an erotica romance intended for mature audiences.

Yorkshire unveils record low rate of 0.89% 7 hours ago LONDON FLATS 0 Yorkshire Building Society has launched a  
2-year discount rate mortgage at 0.89% up to 65% loan-to-value. The product comes with a £1,495 fee, though the  
society also offers a £995 fee option at 1.05%. James Farrow, senior mortgage manager at Yorkshire Building Society,  
said: "We are very pleased to offer borrowers the lowest mortgage rate ever available. "The cost of funding has fallen in  
recent weeks and as a financially strong building society with no external shareholders to satisfy we have the ability to  
pass this on to borrowers." After the 2-year period the mortgage will revert to the lender's standard variable rate, which  
is currently 4.74%. Rachel Springall, finance expert at Moneyfacts, said: "It's fantastic to see such low rates on offer  
from Yorkshire Building Society and the choice between variable or fixed deal will appeal to different types of  
borrowers. "Those looking for more flexibility over the shorter term may prefer a discounted deal, but those looking for  
some security could choose the fixed rate. "In such a low interest rate environment it would be ideal for borrowers to  
consider overpaying their mortgage. As with any option borrowers would be wise to weigh up the entire package before  
entering any arrangement." The post Yorkshire unveils record low rate of 0.89% appeared first on Mortgage Introducer.
